RE: MUR 4964

Dear Mr. Morris:

On January 20, 2000, the Federal Election Commission found reason to believe that you violated 2 U.S.C. § 441a(a)(1)(A), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). However, after considering the circumstances of this matter, the Commission also determined to take no further action and closed its file. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

The Commission reminds you that making a contribution greater than \$1,000 to a political committee is a violation of the Act. You should take steps to ensure that this activity does not occur in the future.

The confidentiality provisions at 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record before receiving your additional materials, any permissible submissions will be added to the public record upon receipt.

If you have any questions, please contact Albert Veldhuyzen, the attorney assigned to this matter, at (202) 694-1650.

Sincerely,

A handwritten signature in cursive script that reads "Darryl R. Wold".
